Please explain why you believe that you should withdraw from SPNTC:

Thank you so much for attending SPNTC. We know that sometimes circumstances necessitate a withdrawal from studies in order to build the Kingdom of the Lord in other ways. We trust that the Lord will be with you in all that you do.

If this is the first or second day of class we would encourage you to inquire about the possibility of some sort of partial refund of money you spent for the course. Each campus has their own policy about refunds. If this is past the second day then a refund is not likely.

May the Lord bless you, and keep you safe and give you success in making Christ-like disciples for His Kingdom wherever He may lead you.
