

# Lesson Plan : Day \_\_\_\_\_ of \_\_\_\_\_

<b>Title of your Lesson</b> Bible Verse: Other tools I will use:	Min.	
<b>Objectives</b> <i>At the end the student will be able to:</i>  <i>Spend time making sure your objectives are good and the rest of your work will go smoothly.</i>		1 _____ 2 _____ 3 _____ 4 _____
<b>Attention Getter</b> <i>Picture, drama, demonstration, special guest speaker, music, short story or something related to the topic.</i>		_____ _____ _____
<b>Content</b> <i>Use various methods to deliver your content. Group discovery and other creative methods are encouraged. These should all target your Objectives.</i>		_____ _____ _____ _____
<b>Check for Understanding</b> <i>Rephrase your objective questions and ask them here. If the students get them, proceed. If not, reteach. Have these ready before you begin instruction.</i>		_____ _____ _____
<b>Modeling</b> <i>Show the student what you want them to learn. Demonstrate the ideas you are talking about. Model the behavior.</i>		_____ _____
<b>Guided Practice</b> <i>Now have the student demonstrate what you have taught them. You can correct, encourage and then move on.</i>		_____ _____
<b>Independent Practice</b> <i>The student will now perform the things taught in class out in the public. Good Guided Practice will make this step better.</i>		_____ _____
<b>Closure</b> <i>Restate your objectives. Restate what you learned.</i>		_____
